

Honor Flight Summit – Swag Brag

We're excited to bring back the Swag Brag at this year's Summit! This is a fun opportunity for attendees to showcase their favorite swag items, share inspiration, and connect with other Hubs.

How It Works

- Display tables will be available in the foyer outside the main ballroom, beginning on Thursday afternoon and continuing for the duration of Summit.
- Hubs are invited to bring swag items to display on the tables.
- Please include a business card or contact information with your item(s) so others can reach out if they'd like to learn more.
- Remember to pick up your swag items Saturday before retiring to your room for the evening!

Other Information

- Tables will **not** be monitored by staff. Items are displayed at your own risk.
- Tables will be covered at night.
- Participation in the Swag Brag is completely optional!
