

Memorial Construction / Updates

- America 250 – follow along at <https://america250.org/> All construction should be completed in time for the 250th anniversary
- WWII Memorial

Summit 2026

Memorial Construction / Updates

- Korea Memorial – fencing and mesh are up – views of the Wall of Remembrance and reflecting pool are blocked. The flagpole is behind fencing.

Summit 2026

Memorial Construction / Updates

- Lincoln Memorial – renovations are scheduled to be completed by July 2026 in time for the 250th anniversary
- 250th Triumphal Arch – media reports suggest this structure will be located inside the traffic circle between Lincoln and ANC
 - Construction to start soon
 - Traffic and lane closures around the traffic circle not known
- Air Force Memorial – closed from March 23 through April 24, 2026

Summit 2026

Memorial Construction / Updates

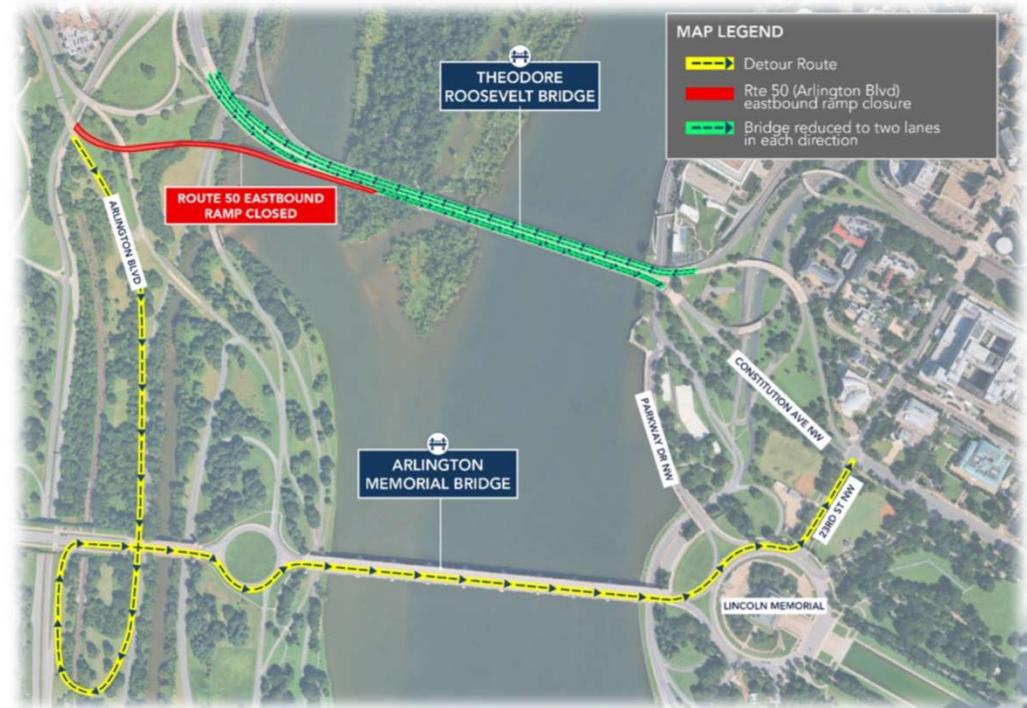

- FDR – bathrooms at the front still out of order. There are bathrooms at back of Memorial and at MLK (across the street by gift shop)
- 9/11 Memorial - close-in unloading/parking – due to ongoing construction in the traffic lanes at Pentagon, **close-in unloading/parking/loading is NOT available Monday through Friday from 3pm – 6pm.** If you intend to visit 9/11 Memorial during these days and times, you will need to unload/park/load at the bus parking area on Hayes Street, about a 10 to 15-minute walk to the Memorial.

Summit 2026

Memorial Construction / Updates

- The Theodore Roosevelt Bridge (I-66) will be reduced to two lanes in each direction, and the eastbound US Route 50 ramp from Arlington Boulevard will also be closed through early June 2026.

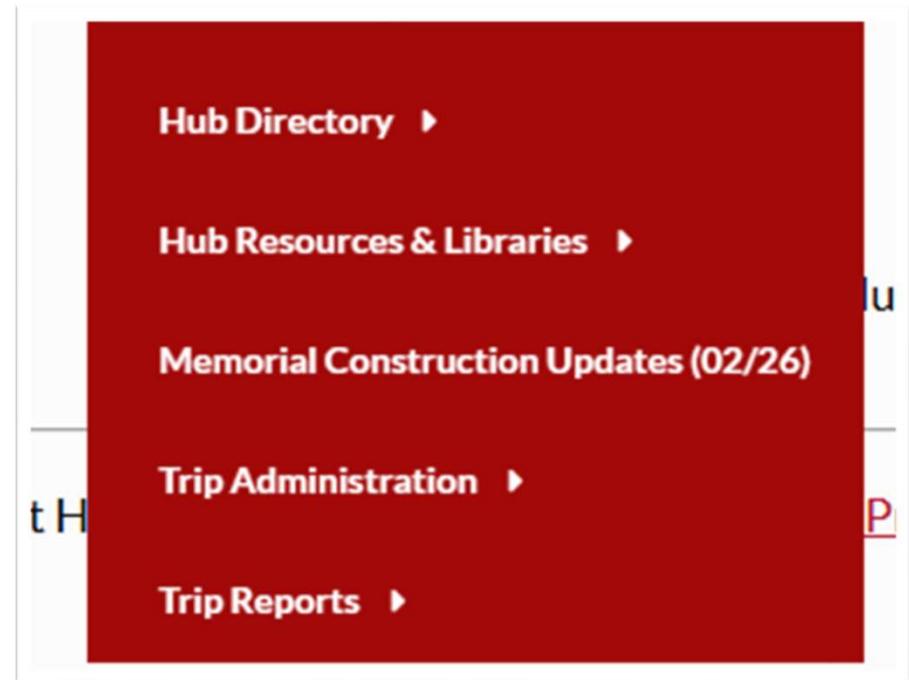

Summit 2026
